

## Lean Organisation Management Techniques

A lean organisation provides the greatest customer value with the fewest resources, a philosophy increasingly important in today's competitive business market. A sound understanding of the concept and benefits of a lean environment, as well as knowledge of business techniques and working in teams, is essential. Our nationally recognised qualification is designed to provide individuals with an appreciation and understanding of some key principles of lean organisation management..

### Benefits

- Achieve a nationally recognised Level 2 qualification
- Evidence your competency to employers
- Further your personal and professional development
- Learn at a time that suits you without the need to attend college
- Improve your efficiency
- Help reduce materials and resource costs

### What you will learn

- **Unit 1**  
Lean Organisation Techniques in Business
- **Unit 2**  
Business Improvement Tools and Techniques
- **Unit 3**  
Working in Business Teams

### Delivery - A Flexible Approach

Every learner on a course with TSP Learn is assigned a personal tutor who is available to provide support as you work through your chosen course. We provide paper based learning materials and access to an online learning and assessment area. You can enrol at any time and work through the programmes at your own pace at times that suit you. Typically people complete programmes within 8-12 weeks.

### Entry Requirements

There are no minimum academic or vocational qualifications required but a good general standard of education is beneficial and would be advantageous. You must be aged 19+, and have lived in the EU for 3 years. Candidates should have a basic ability to read, write and understand spoken English. If you would like to develop your English functional skills further with us, let us know when you apply.

### Cost

Funding support is available for adults aged 19 and over for these programmes. Please contact us to confirm your eligibility.

### Take The Next Step
