

Generic and Specialist Cleaning Principles

With a UK industry turnover estimated at £4.7 billion in 2011, cleaning is one of the largest business sectors in the UK. It underpins many aspects of life today and is essential for the prevention of disease and spread of infection. People actively seek out clean, safe and comfortable environments, so having a highly skilled cleaning workforce is essential.

Delivery - A Flexible Approach

Every learner on a course with TSP Learn is assigned a personal tutor who is available to provide support as you work through your chosen course. We provide paper based learning materials and access to an online learning and assessment area. You can enrol at any time and work through the programmes at your own pace at times that suit you. Typically people complete programmes within 8-12 weeks.

Entry Requirements

There are no minimum academic or vocational qualifications required but a good general standard of education is beneficial and would be advantageous. You must be aged 19+, and have lived in the EU for 3 years. Candidates should have a basic ability to read, write and understand spoken English. If you would like to develop your English functional skills further with us, let us know when you apply.

Cost

Funding support is available for adults aged 19 and over for these programmes. Please contact us to confirm your eligibility.
