

Lean Organisation Management Techniques

A lean organisation provides the greatest customer value with the fewest resources, a philosophy increasingly important in today's competitive business market. A sound understanding of the concept and benefits of a lean environment, as well as knowledge of business techniques and working in teams, is essential. Our nationally recognised qualification is designed to provide individuals with an appreciation and understanding of some key principles of lean organisation management.

Benefits

- Achieve a nationally recognised Level 2 qualification
- Evidence your competency to employers
- Further your personal and professional development
- Learn at a time that suits you without the need to attend college
- Improve your efficiency
- Help reduce materials and resource costs

Delivery - A Flexible Approach

Every learner on a course with TSP Learn is assigned a personal tutor who is available to provide support as you work through your chosen course. We provide access to an online learning and assessment system. You can enrol at any time and work through the programmes at your own pace at times that suit you. Typically people complete programmes within 8-12 weeks.

Entry Requirements

There are no minimum academic or vocational qualifications required but a good general standard of education is beneficial and would be advantageous.

Cost

Some regional funding is available for adults aged 19 and over for these programmes. Please complete an application form and we will confirm your eligibility. Our non-funded, commercial prices are provided on our website.
