

Understanding Safeguarding and Prevent

Official data showed that over 7,500 people were referred to the Prevent programme in 2015/16. The purpose of this qualification is to support anyone who is responsible for the safeguarding of people and for helping prevent radicalisation.

It gives learners an understanding of recognising the signs of abuse, how to reduce the risk of radicalisation and the potential consequences of illegal online activity.

Delivery - A Flexible Approach

Every learner on a course with TSP Learn is assigned a personal tutor who is available to provide support as you work through your chosen course. We provide paper based learning materials and access to an online learning and assessment area. You can enrol at any time and work through the programmes at your own pace at times that suit you. Typically people complete programmes within 8-12 weeks.

Entry Requirements

There are no minimum academic or vocational qualifications required but a good general standard of education is beneficial and would be advantageous. You must be aged 19+, and have lived in the EU for 3 years. Candidates should have a basic ability to read, write and understand spoken English. If you would like to develop your English functional skills further with us, let us know when you apply.

Cost

Funding support is available for adults aged 19 and over for these programmes. Please contact us to confirm your eligibility.
